Supporting Evidence: On April 19, 2011, a criminal complaint was filed with the United States District Court in the Southern District of California, charging the defendant with Alien in the United States After Deportation, in violation of 8 U.S.C. § 1326, docket number 3:11MJ01335-001.

According to the complaint, on April 18, 2011, at 3:20 a.m., border patrol agents observed two subjects making an illegal entry into the United States in an area approximately 4.5 miles east of the San Ysidro, California Port of Entry, adjacent to the International Boundary Fence with Mexico. As agents responded to the area, one subject returned to Mexico and one subject, later identified as the defendant was attempting to climb the secondary fence. The defendant complied with agents' instructions to climb down from the fence.

Upon questioning, the defendant admitted he was a citizen and national of Mexico and did not possess documents that would allow him to enter or remain in the United States legally. The defendant was arrested and is currently being held at the Metropolitan Correctional Center in San Diego, California. The defendant is awaiting disposition in the above-noted case. At the time of this report, additional court dates have not been scheduled.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
